

May 19, 2020

Dear Parents & Girls of GU,

Girls University has developed the following guidelines to assist in a safe and healthy re-opening of all our facilities.

General Guidelines that Apply to All

In order to re-open and successfully remain open, everyone individually and collectively must actively participate in these requirements:

1. All Girls University facilities will be cleaned and disinfected prior to opening.
2. Each site will have only 20 girls.
3. Self-isolation – if you are sick, stay home. (fever > 100.4, cough, difficulty breathing, chills, muscle pain, sore throat, or new loss of taste or smell). Girls may be screen upon arrival each day.
4. Each girl will be required to wear a cloth face mask while on site. A special GU mask will be issued to each girl and staff members. Girls and staff are always required to wear their mask.
5. Hands will be washed frequently or sanitized with a sanitizer that contains at least 60% alcohol.
6. Cleaning and disinfecting will take place frequently throughout the facility.
7. Parents will be required to sign-in verbally with a staff member. Then a staff member will sign-in you into our system using your PIN number.
8. All activities will be rotated to allow adequate time to sanitize.
9. Only 1 parent or family member can pickup/drop off and must remain in the lobby.
10. If a girl or staff member becomes sick, she will be sent home immediately and we will follow the CDC guidelines regarding when to discontinue home isolation and return to our facility. Parents will be notified.

Please help us keep everyone safe by following these measures. If you have questions about these guidelines, please contact Ashli Smart, National Director of Programs and Brand.

Thank you for selecting Girls University for your summer adventure,

A handwritten signature in black ink, appearing to read "Ashli Smart".
